

## Getting an account

Sign up via ECAS

### *Getting a username and password*

- ✓ you select **Login** in the CIRCABC main menu

The ECAS login page is displayed showing by default the domain "European Commission".

- ✓ you change domain. You will find the link "**change it**" in the bottom part of the page:

Domain	External (*)
Username or email address	<input type="text"/> <input type="checkbox"/> Remember me
Password	<input type="password"/>
<input type="checkbox"/> Warn me each time an application asks for my identity	
<input type="checkbox"/> View my ECAS account details after logging me in	
<input type="button" value="Submit"/> <a href="#">Sign Up for ECAS</a> <a href="#">Having problems registering or logging in for the first time</a>	

(\*) Is the selected domain correct? If not, please [change it](#) - or else your username or e-mail will not be recognised.

Having followed this link, you pick "**External**" out of the domain list and press on "Select". You are taken back to the ECAS login page.

- ✓ Now this shows the link "**Sign up for ECAS**".

---

Domain: **External** (\*)

Username or email address  ☐ Remember me

Password

☐ Warn me each time an application asks for my identity

[Sign Up for ECAS](#) [Having problems registering or logging in for the first time?](#)

- ✓ Having followed this link, you reach the **ECAS registration form**.

---

Registration form

Fields marked with a \* are mandatory

Username:

First name:  \*

Last name:  \*

Security check: 

[Generate another image](#)

Please, type in the characters appearing in the image  \*

Fill in the form according to the directions at screen and **submit**. All goes right? The message below comes up at screen:

ECAS password initialisation success  
Your ECAS password was successfully initialised!

- ✓ Some whiles later, you receive an **e-mail with an activation link**.

Dear Victor-Hugo ROMANESCO,

Your account has been created by the European Commission Authentication Service. Your user name is **Chama911**. Please follow [this link](#) to initialize your password.

If the above mentioned link does not work, you can copy-paste the following address (without any line break) in your browser address bar:  
<https://ecas.cc.cec.eu.int:7002/ecas/init/initialisePasswordLogin.do?wayf.domain=external&wayf.remember=checked&wayf.submit=Select&uid=nromanvi&resetCode=fd54731628eb96703ee15caa04f72018a001d56a5d84658196a0dc9fe1bc b3b1f89d3a6e179a9fc51bd690d7560e51701db9&service=https://circabc.europa.eu/faces/jsp/extension/wai/ecas/ecaslogin.jsp>

Sent to you by  
European Commission Authentication Service

- ✓ Through this link, you go to a page where you can **set your initial ECAS password**.

**Note:** Please take great care in entering your new password. Once you have created it, you will only be able to change or reset it yourself after 1 day(s).

Domain	External
Username	Chama911
New ECAS password	<input type="password"/>
Confirm new ECAS password	<input type="password"/>
<input type="button" value="Submit"/>	

A unique username and password allow you to apply for membership in several Interest Groups.

### ***Logging in CIRCABC***

Now you are a registered user. You can enter CIRCABC through its "Login" menu (CIRCABC main menu). You are directed to the ECAS login page. You select your user domain ("external") and enter your ECAS username and password.

Once successfully authenticated, you are taken back to CIRCABC. The option "Logout" comes along with your username, in place of "Login".
